30 <sup>th</sup> April (Thurs)	Pool	Move kit from pool to shed	Kayak

The river trips are open to all, the leader will arrange a trip suitable for the ability of the paddlers and the river conditions, if you have any questions ask the leader for that trip.

There will be more trips arranged ad hoc, these will be advertised on the club Facebook page and SPOND.

The trips must maintain a safe ratio of leaders to paddlers – contact the leaders at least two days before the trip and if you subsequently need to cancel so not to block a space.

Pool skills sessions 18:30-19:30, polo 19:30-20:30. Invites, booking and payment by SPOND application.

It is possible to use your own boat in the pool if pre arranged and the boat is clean.

Non club members are welcome on trips or at the pool – feel free to invite them for a taster – if numbers are limited members will get priority.
