The full descent of the Dee from below Linn O Dee to Aberdeen boat house split over two weekends to be more inclusive. First weekend Linn to Aboyne, second weekend Aboyne to Aberdeen. The weekend may need to shift depending on river levels.

There will be more trips arranged ad hoc, these will be advertised on the club Facebook page.

The trips must maintain a safe ratio of leaders to paddlers – contact the leaders at least two day before the trip and if you subsequently need to cancel so not to block a space.

Non club members are welcome on trips – feel free to invite them for a taster – if numbers are limited members will get priority.

Pool skills sessions 18:30-19:30, polo 19:30-20:30. Payment by card reader at the pool to cover the pool costs. Invitations by Spond.

For the pool sessions we will be using the application ‘Spond’ to book slots and send invites, but you can also contact the leader directly. It is possible to use your own boat in the pool if pre arranged and the boat is clean.
